# MOBILE PRODUCTION KITS: CHECK OUT & PLACE HOLDS

- Place holds by searching [www.wccls.org](http://www.wccls.org) using the keywords “Media Maker Kit.”
- Must be picked up at and returned to Cedar Mill Library. Cardholder must be present and show photo ID.
- Parent or guardian signature required for patrons 14-17 years old.
- Kits check out for 1 week.
- Can be renewed if there are no other holds.
- Late fees are \$10 per day per kit.
- All data will be removed from the devices after they are returned. Users will need to provide their own data storage.

## MOBILE MOVIE PRODUCTION KIT:

The **Sony HDR-CX260V Camcorder** will record HD video and store up to 5 hours on an internal hard drive. A microphone and a stabilizing handle are included in order to make video production easier.

**Nikon 27045 ME-1 Stereo Microphone** Supplied with Wind Screen and Soft Case

**Opteka X-GRIP Professional Camera / Camcorder Action Stabilizing Handle**

## MOBILE PODCAST PRODUCTION KIT:

### Zoom H1 Handy

**Recorder** that can record audio in WAV or MP3 file formats. Includes carrying case and cable to transfer files after recording.

## MOBILE VIDEOCASTING PRODUCTION KIT:

The **Q3HD Zoom Handy Video Recorder** will record both video and audio. The audio should be superior to most video cameras because of the layout of the microphones. This makes this device ideal for recording video of music performances in particular.

Library staff do not have the specialty knowledge to assist with the software or provide advanced technical assistance. Please refer to the suggested books.

## MOBILE MUSIC PRODUCTION KIT:

This kit will include several items that will allow the user to record vocals/accompanying music or guitar (users need to have their own guitar cables).

### Jam Guitar Jack

### Blue Yeti Microphone

**iPad3** with Garage Band and other music apps loaded

**Camera connection kit** for iPad (for USB drives)

**USB power supply** to provide an external power source for the microphone while recording.
