Amelia Bloomer Project 2011 Booklist

Books for children and young adults
featuring strong female characters.

The Amelia Bloomer Project, is a product of the ALA Social Responsibilities Round Table's Feminist Task-force.

This bibliography consists of well-written and illustrated books with significant feminist content, intended for young readers from birth to 18 years old.

The project and list is named for Amelia Bloomer, a pioneering 19th century newspaper editor, feminist thinker, public speaker, and suffragist. This list notes books about girls and women that spur the imagination while confronting traditional female stereotypes.
