The College Speaks

About Us

## Lead Your Child to Good Health!

Teach good sleep habits, get your child outside, practice healthful family eating, model an active lifestyle, be involved, protect your child's mind, discipline your child, turn the television off, and monitor your child's activities.

Learn More

The American College of Pediatricians is a national organization of pediatricians and other healthcare professionals dedicated to the health and well-being of children. The College produces sound policy, based upon the best available research, to assist parents and to influence society in the endeavor of childrearing.
