

Equipment & Partnerships

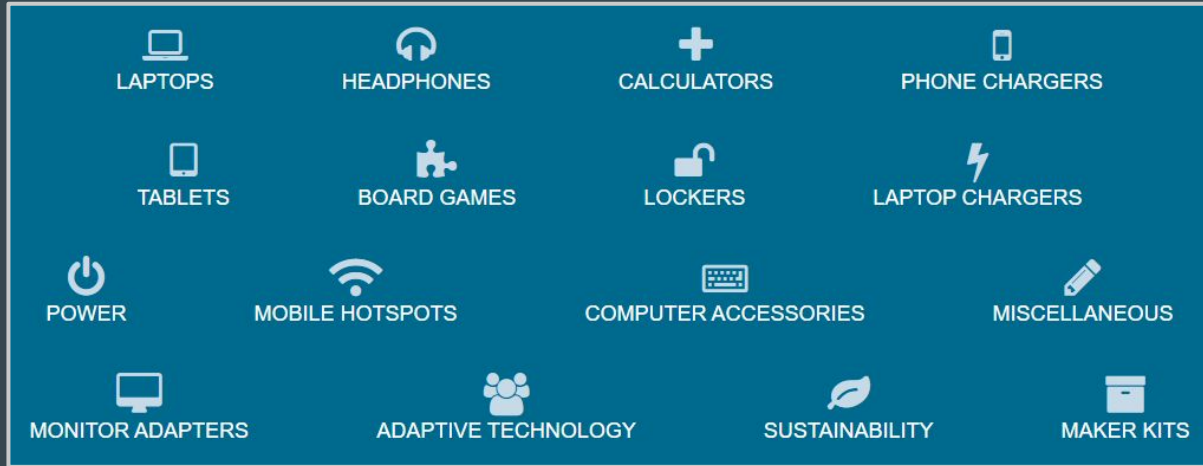

Stefanie Hood - Laptops & Hotspots Coordinator
Sara Trott - Equipment Coordinator

OSULP Equipment

- The loanable equipment at the OSU Valley Library helps users better access library services, assist with their studies, and provides a chance to try something new and relieve stress.
- The Valley Library has been voted by the students to be the best place to study several times - we provide many things to make it easier for them to study
- Over 75 items and growing
- To see the full collection, visit <https://library.oregonstate.edu/loanable-equipment>

Equipment Overview

Partnerships

Basic Needs Center (BNC) & Student Multimedia Services (SMS) - promote Laptops & Hotspots, redistribute long-term collection

Information Services (I.S.) - help with laptop image & repairs; image changes based on student needs

Craft Center - helped develop Craft Kits & Crafternoons

Counseling & Psychological Services (CAPS) - Therapy Light Lamps and working on adding biometrics feedback devices

Heart of the Valley Astronomers - help with finding telescopes and documentation

OSU Clubs - Astronomy Club for Telescope Kits, Bird Nerds for Birding Kit, connect students to groups they might be interested in

Our Goals

- Balance of resources
- Mental health
- Equity
- Diverse equipment
- Sustainability
- Try new things
- Forming partnerships
- Connect to other campus resources
