

# DIGITAL SERVICES

The JCLS Digital Services team is here to help with your technology-related questions, bewilderment, and concerns. We visit most of our 15 branches weekly for hour-long scheduled appointments and walk-ins. We are also available by phone and email and are happy to schedule appointments over Zoom.

## **How we can help:**

- Accessing library digital entertainment platforms and educational databases
- Microsoft Office Suite
- Assistance with signing up for and utilizing the Asante MyChart system
- Much more - just ask!

## **How we can't help:**

- Hardware problems
- Performing system updates
- Assistance with financial, legal, or other confidential transactions
